

8LineSupply Repair Process

Whether one of your top-performing Cherry Master games is malfunctioning or you have a stack of Pot-O-Gold games that needs fixing, the skilled technicians at 8LineSupply can diagnose and repair nearly any problem.

Repair Process:

1. Ship your game board to 8LineSupply. Complete and include the form below.
2. An 8LineSupply technician will diagnose the problem and a representative will contact you for approval if the repair costs will exceed half the retail value of the game board.
3. The repair is completed and your board is fully-tested.
4. Your board will be shipped back to you and you will receive a payment invoice.

Once repaired, your game board is placed under a 30-day warranty by 8LineSupply.

General Repair Rates: (Rates vary based on the complexity of the problem or the cost of parts)

- Pot-O-Gold / Gold Touch / Southern Gold MultiGames - \$125 to \$250
- Cherry Master / 8Liner CGA resolution - \$75 - \$100
- Cherry Master / 8Liner VGA resolution - \$100 to \$200

If you send us a game board, but decide you do not want us to repair it, there is a \$10.00 Fee for diagnostic testing.

For game board repair requests other than those listed above, please call us at 920-347-0333 and we will be happy to work with you to find a solution.
